

Payment Plan

Orange, Gold and Platinum Panther Booster Club Membership

The UTHS Booster Club Board realizes that the fall can be an expensive time of year for parents. In our hopes to allow as many people as possible to obtain the Gold Panther level membership and all that goes with it, we have arranged for a payment plan that we hope will ease the burden. Return the tear off payment slips below with your membership fees and spread out your payments.

Make checks payable to UTHS Boosters.
