Project Graduation

This annual event is an all night party for our graduating seniors. The event is made possible through the combined efforts of the UTHS Boosters, parent and teacher volunteers and the generous contributions of our community leaders. With your help we will once again be able to provide a safe, fun, drug and alcohol free night for our seniors as they spend one last night together as a class. This night will include games, prizes, food, and lots of fun and memories. Please consider giving your time to volunteer. We will take whatever time you can give. Project Graduation will be held Saturday, June 3, from 11pm to 4am at UTHS. Students must participate in the graduation ceremony and check in by midnight to take part in Project Graduation. Please contact Scott Ronnebeck at 309 738 3240 or email at skronnebeck@gmail.com

Dual Credit Information

If your student signed up for one or more dual credit courses next year, there are several steps they need to complete to ensure they are properly enrolled in the course.

1. Online application.. This can be done at www.bhc.edu
2. Registration: BHC has registration forms (copies are in the counseling office) that need to be signed by students and parents. They then need to be returned to the counseling office.
3. Take the Accuplacer test if you are enrolled in English Composition. This is given in April and May at UT and is Black Hawk's entrance exam. Results are immediate so students know if they qualify. Scores of 90 on the Reading and a 5 on the Writing tests are required. Retakes are offered at \$15 per test.

All three of the above steps must be completed for enrollment in a dual credit course. Registration will not be final until the end of the school year. Payment for fall classes will be due around mid September to Black Hawk College. Failure to pay or register properly could result in either no credit from BHC or full tuition required for credit. If you have any questions please call Stacey Drish at 752-1673.

Registration dates for 2016-2017 school year

Wednesday, July 26th 10:00am—6:00 pm

Thursday, July 27th 10:00 am - 6:00 pm

On-Line Registration

Information will be available on the UT web site, this summer, on how to use on-line registration for the 2017-2018 school year. Have a Great Summer!

Parents/Guardians Important Information

If you have changed your phone number or home address have your son/daughter come into the counseling office to update our records. You can also call Holly Schneider at 752-1640 to make any changes.

No Child Left Behind and Highly Qualified Teachers

Federal legislation requires us to notify our community, parents and students of the qualifications of our teaching and para-professional staff. The legislation requires that we have only "highly qualified" staff in place by 2006. The legislation clearly sets forth the standards that define "highly qualified". In short, it means that teachers are certified in the specific areas they are teaching and that paraprofessionals have at least sixty (60) credit hours of college work. A list of our current staff is available for review in our administration center.
