

APRIL 22-27, 2019 EMSC TECHNIQUE CAMP

Camp details:

Our regular season starts Monday, April 29th. We will focus on one stroke per day in order to get swimmers re-acclimated to the water and refine technique before we dive in to our summer season. This will be a great time to reconnect with friends and refine swimming skills! Registration will be done through our team website. The cost for all five days is \$25, which includes the cost of a technique camp t-shirt. If you have any questions, please contact Coach Melissa!
