Explanations and other information.

1. Varsity and sophomores will have camp at Soule Bowl and then transition to school for lifting.
 - a. We will make sure all sophomores have a ride to school with buddy system and other means.
 - b. Please note the change in start times between JUNE and JULY. The reason for this is to not interfere with other sports camps during June.
2. Freshman will practice on practice field next to HS everyday.
3. Practices BEGIN at the time listed, it is expected your cleats and helmet are on when camp/practice BEGINS!
 - a. Panther Time - Arrive 15 mins before the scheduled start time.
4. Varsity and sophomores will wear helmets only during June and in July we will practice in helmets and shoulder pads.
5. Varsity - expect a few 7 v 7 added into schedule in June and July. There may be one Saturday 7 v 7 we participate in.
 - a. Soph - We will see if we can find you some but no guarantees.
6. It is expected that you bring cleats and athletic shoes EVERYDAY for summer camp. We will NOT lift in slides or moccasins.
7. If you cannot make it to camp you are expected to CALL the head coach of the level in which you play. Not a text message, not an email, but call and leave a voicemail stating who you are and why you won't be at camp.
 - a. This is going to be the expectation in the Fall and it is good to start practicing these habits ahead of time. During the fall, failure to call will result in an **unexcused absence**.
